The Doolittle Rally Sport is a tough and versatile utility trailer. Since it can handle a myriad of jobs, this trailer is ideal for home and garden use, but tough enough to use for light duty commercial purposes. Our 4' mesh gate is built to help you get your payload aboard, yet folds flat to the deck when needed, helping to save fuel when you pull it empty. The Rally Sport is built to last and loaded with features to make it the best value utility class trailer on the market!
